

Abbot Beyne School

Our Ref: JPT/HMH

11th October 2024

Dear Parents and Carers

A slightly different email today, I want to dedicate this email to our use of iPads, Showbie and homework. I am putting a number of links to our website with a couple of short presentations or videos for you to watch. This was all covered at the Education Evening last week but if you could not make it or wanted to check some of the details, the links are below.

Education Evening Presentation - [presentation slides](#)

User guide to Showbie - [quick guide](#)

Sparx Maths guide for parents - [short video \(less than 2 minutes\)](#)

Sparx Reader guide - [short video \(less than 3 minutes\)](#)

Knowledge Organiser presentation - [short video \(around 5 minutes\)](#)

If your child is in Sixth Form and uses UpLearn, here is the guide for parents as well - [short video \(less than 2 minutes\)](#)

I hope you find this information useful. Education research shows that good quality homework can have a significant impact on overall achievement which is why we have such a strong focus in ensuring all of our students complete their work on time. If you have any questions about how we can help you to support your child please do not hesitate to ask.

Kind regards

Mr J Tickle

Headteacher
