

Abbot Beyne School

Our Ref: JPT/HMH

24th October 2024

Dear Parents and Carers

Thank you for all of your ongoing support at the school this last half term. We have had an excellent start to the new academic year, although we are all definitely looking forward to a break.

I want to take this opportunity to say thank you and goodbye to Mr Sutton who is retiring from teaching (very jealous) and Mr Staples who is moving to a new school. We wish them both well.

After half term we have a new Head of Year 8, Mrs Ingley, starting with us at the Evershed site.

Today is the last day of half term and students will return to us on Monday 4th November at 8.25am.

The first week back will then see our Year 7 students head out to Whitemoor Lakes for three days and two nights. We definitely notice as a school they are more confident when they return. Details will also be shared this week about the Year 11 Consultation Evening on Thursday 14th November.

I hope you have a lovely break if you are off.

Kind regards

Mr Jamie Tickle

Headteacher
