

Abbot Beyne School

Our Ref: JPT/HMH

24th January 2025

Dear Parents and Carers

I have just come from our Key Stage 3 Careers Fair (not sure I have found my next career yet unfortunately). It was a really vibrant atmosphere with a large number of external providers in school advising our students on possible pathways for the future. I am very grateful to the companies and organisations that have given up their time to be here and if you or your company would like to be involved in the future, please simply reply to this email and let me know.

We are now at the end of our Year 10 Assessment week. Year 11 students have received their reports this week with their mock grades and projected grades. I think it is worth asking your son or daughter if they, or you, were unhappy with their grades, what have they done differently this week to ensure the grades are different in the summer. If, as always, we can help in any way with revision strategies or with any of the work please do not hesitate to ask.

Next week is the Year 12 Consultation Evening so please check that you have signed up and made all of your appointments. Our Year 12s should also have finalised their Work Experience placements for the last week of this half term by now.

Next week we are also beginning the interviews for those students in Year 11 who have applied to come to our Sixth Form next year and offers will follow shortly after.

Thank you for your ongoing support.

Kind regards

Mr Jamie Tickle

Headteacher
