Dear Parents and Carers

A slightly shorter email today as I have included the termly parents and carers survey [here](#). If you have the time to complete this survey, I really would appreciate it as it gives us some comparative data about how we are doing as well as giving us suggestions for improvement.

We have one week left of term (different to many parts of the country I know, including the rest of my own family). On Friday 11th April we finish at the normal time of 3pm. When students return after Easter on Monday 28th April we will go back to our usual rule of no black jumpers being worn by students as the weather should have improved by then. We will tell students about this next week but please could you support this after Easter.

We have our local MP, Jacob Collier, visiting the school today to come and see the excellent work we are doing with our students.

We also have the Year 11 individual and group photo today that parents will have the opportunity of purchasing.

As I say, a shorter email today and if you could complete the survey (less than 5 minutes) I really would appreciate it.

Kind regards

Mr Jamie Tickle

Headteacher
